

Name: Emilee Ann Lamica

Grade/Subject: Middle School (6, 7, & 8) English Language Arts

Number of years working at CKS: 2024 is my first year!

About me: I was born and raised in Rutland, VT, graduated from Rutland High School, and received my Bachelor of Arts in English from the University of Phoenix in 2022. My husband and I share three beautiful children, two crazy dogs, and two sassy cats. I love coffee, crossword puzzles, and reading mystery novels. For fun, I dabble in various crafting projects, cake decorating for special occasions, and creative writing.

Why CKS: Learning is, and always has been, my passion, so it is exciting that I am beginning my journey as an educator. When I came to visit CKS, I immediately felt right at home. Not only are the students amazing, but the other faculty and staff are so welcoming and helpful. I am thrilled to be part of a school where “community” really *means* something, and that my values are clearly reflected in the school environment.
