

As we start our basketball season, please understand that students must be picked up promptly after practice. Coaches are required to wait until all parents pick up their student-athletes. If they are not picked up at the end of practice, this puts a strain on our volunteer coaches.

We are happy to send students to the after-school program, but it's not always possible, depending on the practice time.

To help coaches and the school, please fill out this form and return it to Mr. Wright by Monday, December 4, 2023.
