

Name: David Perry

Grade/Subject: Middle School Math and Religion

Number of years working at CKS: 6 years

About me:

I enjoy basketball (both playing and coaching), art, puzzles, reading, movies, painting, and I'm happy to be a part of my local RWC parish community.

Why CKS:

I always wanted to do something related to youth ministry, as I believe those are the most foundational years to plant seeds of faith. I get the bonus at CKS of also being challenged and educated in my own faith as the kids and I learn and pray together. Ultimately my "why" of being here is I love the Catholic Church and I want to do my part in helping the kids here grow to be everything God wants them to be.
