About me:

Greetings, I'm Lily Crowley. I was born and raised in Vermont, where I enjoy everything the state has to offer, especially all four seasons. I was named after the most exquisite painting, "Water Lilies" by Claude Monet. I have always had a passion for the arts, which I believe was ingrained in me before I was even born. At Castleton University, I received a Bachelor of Arts degree with an emphasis in Fine Arts and a minor in Art History.

Why CKS:

I wish to share my love of art with the community where I reside.
