

Name: Amy Sylvia

Grade/Subject: Pre-K Assistant Teacher

Number of years working at CKS: Eighth Year

About me:

I have lived in the Rutland area my entire life. My husband and I celebrated our 25th anniversary last year, and we have three sons. I have been involved with the care of children for over 20 years.

Why CKS:

Christ the King has played a big part in my family's life. Starting with my mother who was deep in faith. My wedding and then the baptism of my own children. When the opportunity to be a part of the school arose I welcomed the idea of joining the school.
