

Name: Jennifer Berquist

Grade/Subject: Early Education Director and Pre-K Lead Teacher

Number of years working at CKS: 14 years

About me: In my free time, I love playing and exploring the world with my 2-year-old son, traveling to see my teenage daughters play basketball, walking/hiking, dancing, coaching, listening to christian and country music and spending time at church.

Why CKS: Everyday when I wake up, I strive to show and teach others how to love one another as Jesus told us to. I want students to develop a deep sense of love for themselves and others, a love for learning and for growing each and everyday!
