

Name: Wendy Hackett

Grade/Subject: Fifth Grade

Number of years working at CKS: 22nd year!

About me:

I'm originally from NJ and love the shore and the Yankees. I love to read, watch my son play soccer, and spend time with my family.

Why CKS:

I love being part of the CKS community because everyone is so welcoming. I was thrilled that my son was able to go to CKS and that I could be there with him. I love that CKS helps children stay children longer, there is an innocence about our school. I love working with the people I work with. They are kind, respectful, and we always have a good time.
